

Board Meeting

Hill Valley Homeowners Association

We have a board meeting for the Hill Valley Homeowners Association on the third Monday of each month except October and December. All meetings, except the October meeting, are held at St. Barnabas (see diagram below) at 7:30 PM. The October meeting is a general membership meeting where we encourage all members to attend and is held at Friedens Church at 7:00 PM. Every other year an election of board members is conducted at the annual meeting. The board gives reports about its activities for the year and there usually is representation from the City. Details about this meeting are in the newsletter. There is no board meeting in December.

Members are welcome to give input at any regular board meeting during the first portion of the meeting.

The room where we **normally** have our Board Meetings is described first. Enter the door shown below; go straight across the foyer; through the double doors; and, down the hall a short distance to the second door on the left (follow the blue arrow). However, we have just started to have meetings inside the church in the Faith Formation Office (follow the green arrow). After entering the church, turn immediately to the left and through the double doors. This new location may not be permanent and could change back without notice.
