

# Gun Violence Reduction Day

## *Reducing Gun Violence Starts With You!*

Please join the Indianapolis Metropolitan Police Department, the Ten Point Coalition and churches from around the city in helping us reduce gun violence on Saturday, April 16, 2011, from 9:00am to 3:00pm.

This is a voluntary program that provides you with a safe location to properly dispose of an unused or unwanted firearm, or one that just doesn't belong in your home.

Simply bring the unloaded firearm, safely secured in a box or a bag in the trunk of your car to one of the below locations and we'll make sure that the gun is safely destroyed. No questions asked.

- ▶ **Downtown Location:** St. Mary's Catholic Church, Father Michael O'Mara  
317 N. New Jersey Street  
Contact Officer – Thomas Tyson, 327-6500

This is not a gun buy back. The reward you will receive by turning in an unwanted firearm is knowing that you will help reduce gun violence in your community.
