FROM THE DESK OF:

Sgt. Lori Demaree

Hello everyone:

The merry month of May is almost over. But before June, we have the 100th running of the Indianapolis 500. There are several events scheduled at the Motor Speedway. With these events comes a tremendous amount of pedestrian and vehicular traffic. Please be patient. If you have a race pass, remember, they are for Race Day Sunday only. The passes can allow you to cross a lighted intersection on your way to church. With all the traffic around the track, several travel lanes are affected. Please present your pass to the officer at the manned intersection. Hopefully, everyone can get to their destinations without much disruption.

Graffiti can be an ugly sight. Some neighborhoods have more than others. Teresa Combs with the Marion County Prosecutor's Office is in search of unsightly graffiti. She recently went out and painted over 5 locations. If you know of graffiti and know the property owner, you can ask if they would cover it up. Otherwise, Teresa must get a signed permission slip from the owner before the graffiti can be painted over. Last year, over 43 locations were painted last year. If you want to report unwanted graffiti, please contact her at 327-6435. Make sure you have the correct address for prompt action.

Our Community Day will be held on Thursday, June 9th from 11-2 pm. It will be held at the district and Haughville Park. We will have several different vendors and a free health screenings. A bounce house with two other fun amusements will be set up in Haughville Park. You will be able to interact with police officers from Southwest District as well as other divisions from the department. We will have free food and ice cream. It is a great time for all ages. Let's come together and learn better ways to serve our neighborhoods.

There will be **NO** taskforce meeting in June.
