

## Indianapolis Animal Care & Control Animals for Adoption

Sheba (A161824) is a friendly, well-behaved girl. She loves to play with other dogs, and can be very vocal when doing so. Sheba has a lovely, slightly brindled coat. We're not sure what mix of breeds she is ... she looks a bit like a chow, but she may have some Australian shepherd in there. Whatever she is, the important thing is that she is a cute, sweet, happy girl who wants nothing more than a comfy, loving home where she will be cherished and cared for her whole life long. In return, she promises all the love, loyalty, and companionship you could ask for.

Imagine this pastel-colored sweetie in your living room...and on your lap...and in your bed. Wouldn't you love to share your life with this lovely boy? He sure would! Lawrence (A161473) was picked up as a stray back in February, and he's still here waiting for someone to give him that comfy, happy life he so deserves. Is that someone you?
