Charitable Contribution Initiative

What is the Charitable Contribution Initiative? (CCI)

The Perry Township Trustee's Office Charitable Contribution Initiative (CCI) is a program that redistributes donated goods to not-for-profit agencies in our community.

Items distributed through the CCI come to the Perry Township Trustee's Office from businesses with goods they cannot sell. Not-for-profit agencies, or community partners, as we call them, are expected to give the items, at no cost to individuals they service. The goal is to provide assistance to those in need throughout our community.

Brief History of Events

Our program began in September 2012. Since then, we had numerous truckloads of goods donated to CCI. Regular volunteers, including students from the RISE center, local clubs and organizations, help to sort and shelve the merchandise. Items donated may include diapers, toiletries, and paper supplies. Over \$1,000,000 worth of goods have been distributed to those in need throughout the community.

Community Partnership with the Perry Township Assistance Office

One of the primary roles of the Perry Township Trustee is to provide relief to citizens in need through the Township Assistance Office. Individuals who meet the state determined criteria receive help with rent, utilities and indigent burial. In addition the Assistance Office provides information about additional services offered through not-for profit agencies. It is this partnership that made distribution of items received by the Perry Township Trustee's Office a natural fit.
